## Recycling Week – 21<sup>st</sup>-27<sup>th</sup> June

This year's recycle week is the perfect opportunity to clear our all those cupboards, sheds and attics. If your item has a plug, uses batteries or needs charging then it can be recycled. You can help our school win great prizes by recycling your old electricals. Take any old or broken small electrical items to your local recycling points on the Isle of Wight during recycle week (Bridlesford Road, Downend. Alternatively, items can be brought straight into the school for Mrs Dickson to take to the recycle point. In return you will receive a reward token with a special code which can be used to help the school of your choice win prizes of £500 or even £1000 of garden centre vouchers. Register your reward token online or hand it in at our school so we can register it for you. The lucky schools with the most tokens registered will win. Tokens will only be given out during recycle week.

## Country Dancing

This took place on Wednesday at Havenstreet Steam railway-a beautiful setting and a beautiful sunny day. As usual, it was really well organised and our children looked an absolute picture in their red spotty skirts or shorts and white/red t-shirts. There were some very tricky steps in most of the dances, but we did an amazing job, thanks to the great teaching by Mary Bulpitt and Donna Smith. Thank you to both of them for running the club after school and thank you to the parents/carers who joined us for this lovely annual event. Most of all, well done children -we are all so proud of you! We will all have a chance to enjoy our country dancing at the Family picnic on 16<sup>th</sup> July.
